- (1) Any signage affixed to a building should be dimensioned and located in such a manner that it fits the building's architectural features and proportions.
 - (2) All signs should be designed to fit the zoning and status character of the surrounding area. Special consideration should be made where proposed signage is located on or adjacent to locally identified historic structures or publicly owned recreation and conservancy areas. Signage in special planning areas, such as the downtown, or historic preservation areas, will be required to conform to the planned dominant architectural theme of the area. Signage in or abutting residential properties should be designed and located so as not to create a residential nuisance.

 - (5) As a general guideline, the number of colors and materials should be kept to a minimum.
 - (6) Landscape features will be encouraged as part of all ground mounted signs. Landscape plantings or other landscape materials will not be counted as part of the allowable signage area.

 - (3) No permit for a sign issued hereunder shall be deemed to constitute permission or authorization to maintain an unlawful sign, nor shall any permit issued hereunder constitute a defense in an action to abate an unlawful sign.
- (f) **Inspection.** The applicant shall, upon completion of the installation, relocation or alteration of the sign, notify the Zoning Administrator who may inspect the premises to inspect whether the sign complies with the regulations of this Article.
- (g) **Appeal of Denial of Sign Permit.**

No Board of Appeals's appellate decision shall have the effect of allowing in any district uses prohibited in that district or permit standards significantly lower than those required by state law or this Article.
- (j) **Stay of Proceedings During Appeals.** An appeal shall stay all legal proceedings in furtherance of the action appealed from, unless the Zoning Administrator certifies to the Board of Appeals that, by reason of facts stated in the certificate, a stay would, in his/her opinion, cause immediate peril to life or property. In such cases, proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Appeals or by a court of record on application, on notice to the Zoning Administrator and on due cause shown.
- (k) **Signs in Historic Districts.** In addition to these sign regulations, all signs within any historic district shall be subject to the provisions of the Village's Historic Preservation Code.

Sec. 13-1-110 Nonconforming Signs.

(a) Nonconforming Signs.

- (1) **Nonconforming Sign Criteria.** Signs existing as of the effective date of this Article which do not conform to the provisions of this Article are nonconforming signs and shall be subject to the provisions of this Section. Nonconforming signs may be maintained. No nonconforming on-premise sign shall be altered or moved to a new location without being brought into compliance with the requirements of this Article. [Refer to Subsection (b) below.] Compliance is the responsibility of the property owner.
- (2) **New Signs Not Permitted.** Business signs on the premises of a nonconforming use or building may be continued per this Section, but new signs for such uses shall not be allowed, nor shall expand in number, area, height, or illumination. New signs, not to exceed the maximum allowable aggregate sign area, may be erected only upon the complete removal of all other signs existing at the time of adoption of this Article.
- (3) **Removal of Nonconforming Signs After Amortization Period.** The Village Board finds that the Village's development and increased competition among various businesses located in the Village has significantly increased the number of signs. The result has been an excessive number of signs, which tend to increase public confusion, interfere with other signs, distract operators of motor vehicles, and cause visual blight. The Village Board has determined that it is in the public interest to eliminate legal nonconforming signs. The Village Board also recognizes that owners of signs may have property interests of value in such nonconforming signs that may be amortized over time and thus is adopting a reasonable phase-out period. All legal nonconforming signs which could not be erected under the standards of this Article shall be removed, at the cost of the property owner, within ten (10) years of the effective date of this Article.
- (4) **Removal Upon Business Termination.** Nonconforming signs shall be removed when the principal structure located on the premises undergoes a change of use, or shall be removed per Section 13-1-114. Closing businesses must remove their signs within thirty (30) days of closing.
- (5) **Change in Sign User.** Whenever there is a change in the sign user (excluding off-premise signs) or owner of the property on which the sign is located, the new sign user or new property owner shall forthwith notify the Zoning Administrator of the change. No new sign permit is required unless there is modification of the sign face or sign structure.

(b) **Alteration of Signs.**

- (1) **Alteration Defined.** For the purpose of this Article, alteration of a sign is considered to be any change to the exterior appearance of any part of the sign, its frame, its supporting structure, or its lighting including: changing the message (except for marquee or off-premise advertising signs), symbols, color, material, height or location.
- (2) **Maintenance Exception.** Altering a sign does not include maintaining the existing appearance of the sign; replacing the sign face or the supporting structure with identical materials, colors, and messages; changing the message of a marquee sign; or changing the face of an off-premise advertising sign.

(c) **Loss of Legal Nonconforming Status.**

- (1) In addition to the standards in Subsections (a) and (b) above, a sign may also lose its nonconforming status if one (1) or more of the following occurs:
 - a. If said sign is damaged by fire, flood, explosion, earthquake, vandalism, war, riot or Act of God; or structurally altered in any way, except for normal maintenance and repair; the sign may be reconstructed and used as before if it is reconstructed within three (3) months after such calamity, unless the damage to the sign is fifty percent (50%) or more of its replacement value, in which case, the constructed sign shall comply with the provisions of this Article.
 - b. The sign is relocated;
 - c. The sign fails to conform to the Village requirements regarding maintenance and repair, abandonment or dangerous or defective signs;
- (2) On the date of occurrence of any of the above, the sign shall be immediately brought in compliance with this Article with a new permit secured therefor or shall be removed.

- (d) **Legal Nonconforming Sign Maintenance and Repair.** Nothing in this Article shall relieve the owner or use of a legal nonconforming sign or the owner of the property in which the sign is located from the provisions of this Article regarding safety, maintenance and repair of signs. However, legal nonconforming signs shall not be reinstalled, reconstructed or have their useful life extended.

Sec. 13-1-111 Dangerous and Abandoned Signs.

- (a) **Removal of Dangerous Signs.** All signs shall be removed by the owner or tenant of the premises upon which the sign is located if in the judgment of the Zoning Administrator, such sign is so old, dilapidated or has become so out of repair as to be dangerous or unsafe, whichever occurs first. If the owner or tenant fails to remove it, the Zoning Administrator may remove the sign at cost of the owner, following adequate written notice. The owner may appeal the decision of the Building Inspector to the Board of Appeals.
- (b) **Abandoned Signs.** Except as otherwise herein provided, all sign messages shall be removed by the owner or lessee of the premises upon which an off-premise sign is located

- when the business it advertised is no longer conducted where advertised. If the owner or lessee fails to remove the sign, the Zoning Administrator shall give the owner sixty (60) days' written notice to remove said sign and thereafter upon the owner's or lessee's failure to comply may remove such sign, any costs for which shall be charged to the owner of the property or may be assessed as a special assessment against the property, and/or the Zoning Administrator may take any other appropriate legal action necessary to attain compliance.
- (c) **Violations.** All signs constructed or maintained in violation of any of the provisions of this Sign Code after the date of adoption are hereby declared public nuisances within the meaning of the Village of Rudolph Code of Ordinances. In addition to the penalty provisions for violations of this Article, the Zoning Administrator or Village Board may bring an action to abate the nuisance in the manner set forth in the Wisconsin Statutes or Village ordinance.

Sec. 13-1-112 Construction and Maintenance Regulations for Signs.

- (a) **Installation.** All signs shall be properly secured, supported and braced and shall be kept in reasonable structural condition and shall be kept clean and well painted at all times. Bolts or screws shall not be fastened to window frames. Every sign and its framework, braces, anchors and other supports shall be constructed of such material and with such workmanship as to be safe and satisfactory to the Building Inspector or Zoning Administrator.
- (b) **General Requirements.**
- (1) **Construction Standards.** All signs, except flat signs and those signs weighing less than ten (10) pounds, shall be designed, fastened and constructed to withstand a wind pressure of not less than thirty (30) pounds per square foot of area and shall be constructed, attached, fastened or anchored to adequately support the dead load and any anticipated live loads (i.e., ice, snow) of the sign.
 - (2) **Projection.** Signs including supports shall not interfere with surrounding properties or traffic.
 - (3) **Prohibited Mounting.** No signs shall be painted on, attached to or affixed to any trees, rocks, or other similar organic or inorganic natural matter, including utility poles or apparatus.
 - (4) **Maintenance.** All signs, including supports and attachments, shall be properly maintained and have an appearance that is neat and clean. All signs shall be kept in good structural condition, well painted, and clean at all times and the immediate premises shall be maintained in a clean, sanitary and inoffensive condition and kept free and clear of all obnoxious substances, rubbish and weeds.
 - (5) **Annexed Areas.** All signs in newly annexed areas shall comply with this Article within three (3) years of annexation.

Sec. 13-1-113 Variances or Exceptions.

Variances or exceptions to these sign regulations may be granted by the Board of Appeals following a recommendation from the Zoning Administrator, pursuant to the procedures of the Village Zoning Code.

Sec. 13-1-114 Violations of Sign Code.

- (a) **Construction Without Permit.** Any person, firm or corporation who begins, erects, improperly alters, or completes the erection or construction of any sign, awning or canopy controlled by this Article prior to the granting of a sign permit shall pay a penalty double the amount of the permit otherwise required.
- (b) **Compliance Notice.**
 - (1) If the Zoning Administrator finds any sign, awning or canopy regulated herein unsafe or insecure or is a menace to the public, or has been improperly erected, altered or maintained, it shall give written notice to the sign owner and to the property owner.
 - (2) If such sign, awning or canopy owner fails to remove or alter the sign, awning or canopy so as to comply with the standards herein set forth within five (5) days after such notice, the Zoning Administrator may cause such sign, awning or canopy to be removed or altered at the expense of the owner of the sign, awning or canopy or the owner of the property upon which it is located so as to comply with the provisions of this Article, per Sec. 66.0627, Wis. Stats.
- (c) **Violations; Penalties.** Any person who shall violate any of the provisions of this Article shall be subject to a penalty which shall be as follows:
 - (1) Any person found guilty of violating any part of this Article who has previously been notified of being in violation, upon conviction thereof, be subject to a forfeiture as prescribed by Section 13-1-175.
 - (2) Each violation and each day a violation continues or occurs shall constitute a separate offense. Nothing in this Article shall preclude the Village from also maintaining any appropriate action to prevent or remove a violation of any provision of this Article.

Sec. 13-1-115 through Sec. 13-1-119 Reserved for Future Use.
