Reading of the Bills by Treasurer Joanna Mack. Trustee Steinle made a motion to accept bills as typed, seconded by Trustee Larsen; carried unanimously.

Public Comments/Concerns:

- ★ Did we get any street signs back from the County from when they redid the roads? Yes, Tony just put them back up yesterday.
- ★ E. Peters-What would it take for me to build a shed on my land? How big can I go-what are the stipulations? I am looking at 30x60 on the original lot. Trustee Whipple-it doesn't make sense to parcel off a garage so we would consider a variance.
- ★ J. Nieman Driveway permit-I live on main st do I get one from the county or you guys? Both. Ours is only $50 and that covers the diggers hotline fee. I own land east of the school-are there any stipulations that would not let me sell to a developer with the sewer system? That should be ok-the sewer system is able to handle around 60 more houses still from when we last had it assessed.

Old Business:

- Fees/Fines-Talked about adding a fee/fine to people who do not pull permits-it would cover our end of having to chase them and send letters. Most permits we chase end up being $50. Trustee Steinle proposes that we charge an additional $100. Trustee Whipple made a motion to charge $100 late fee and double the original permit if we have to chase them, seconded by Trustee Steinle; carried unanimously.

New Business:

- Budget Approval-Budget will be posted after the meeting outside the Village Hall. Motion made to approve the budget as written by Trustee Whipple, seconded by Trustee Steinle; carried unanimously.
- Street Sweeping and trees-There is an entire section on Grotto Ave where the trees are hanging over and they can not get the sweeper through that area-do we need to send a letter to the homeowner? Yes, we will send a letter to the

homeowners to let them know to clean up the branches-any trucks or bigger vehicles that pass through are hitting those branches.

- Snowmobile club one day license-Snowmobile club is doing the pop up bar at the fire department-$10. Motion made to approve one day beer license for country christmas by Trustee Whipple, seconded by Trustee Reid; carried unanimously.
- Sewer salary-Clerk Rebarchek is asking that we approve Sue Polum to be paid $2,500 annually along with the amount of $500 to be paid for working with Kristina for the last few months in taking over all the sewer accounts and paperwork-with Kristina receiving her final pay in December as well for the sewer account (currently $1,000 annually). Kristina will still be available to Sue and in contact about sewer accounts indefinitely as long as she is clerk. Motion made to approve the new amount of $2,500 by Trustee Steinle, seconded by Trustee Whipple; carried unanimously. Motion made by Trustee Steinle to still pay Kristina the $500 for December and Sue $500 for December, seconded by Trustee Whipple; carried unanimously. A new fire wall was installed and finalized today for the sewer system-Now Derrick from Wisconsin Rapids will be able to remote in safely to get his documents.
