

VILLAGE OF RUDOLPH SCRAP METAL CLEAN-UP

June 1-5, 2023

Location: Dumpsters located on Main Street by the Village Tank

What you need to know:

There will be 2 dumpsters delivered on June 1st and removed on June 5th. All materials must be placed in the dumpsters.

**One dumpster is for all metal items. Scrap metal container can only be filled flush to the top as state law requires the driver to tarp all loads.

The second dumpster is for any item containing freon (Refrigerators, freezers, air conditioners, dehumidifiers, and water coolers**) These items must be loaded upright from the back of the dumpster door. They cannot be tossed in or stacked. There is no charge to dispose of this freon appliance at this location.
